

REQUEST FOR PRINCIPAL INVESTIGATOR STATUS

(Request to the Office of the Vice President for Research (OVPR) for each submission)

The privilege to serve as a Principal Investigator (PI) or a Co-Principal Investigator (Co-PI) on internally and/or externally sponsored projects is conferred to Temple University research faculty members and other staff as specified by schools and colleges in alignment with OVPR guidelines. Typically, tenure and research track faculty are eligible to serve. Faculty instructors, non- faculty research personnel, adjunct faculty, visiting faculty, students and post-docs are not eligible to serve as PIs but may serve as Co-PIs (with their supervising faculty member) with approval from OVPR and when the funder permits such an arrangement. Such approvals are considered on a case-by-case basis.
